

Hello Song

Everyday brings more, than the day
before

Open any door and sing hello, hello,
hello

Sing hello, hello, hello

It's the same bright sun, shines on
everyone

Though the clouds may come

Let's sing hello, hello, hello

Let's sing hello, hello, hello

Hello everyone!

Here Comes the Sun

Here comes the sun, doo-dun-doo-doo

Here comes the sun, and I say

It's all right

[Verse 1]

Little darling, it's been a long cold lonely winter

Little darling, it feels like years since it's been here

[Chorus]

Here comes the sun, doo-dun-doo-doo

Here comes the sun, and I say

It's all right

[Verse 2]

Little darling, the smile's returning to their faces

Little darling, it seems like years since it's been here

[Chorus]

Here comes the sun

Here comes the sun, and I say

It's all right

[Bridge]

Sun, sun, sun, here it comes

Sun, sun, sun, here it comes

Sun, sun, sun, here it comes

Sun, sun, sun, here it comes

Sun, sun, sun, here it comes

[Verse 3]

Little darling, I feel that ice is slowly melting

Little darling, it seems like years
since it's been clear

[Chorus]

Here comes the sun, doo-dun-doo-
doo

Here comes the sun, and I say

It's all right

[Outro]

Here comes the sun, doo-dun-doo-doo

Here comes the sun

It's all right

It's all right

This is Me

Verse:

I am not a stranger to the dark
Hide away, they say
'Cause we don't want your broken parts
I've learned to be ashamed of all my scars
Run away, they say
No one'll love you as you are

But I won't let them break me down to dust
I know that there's a place for us
For we are glorious

Chorus:

When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown 'em out
I am brave, I am bruised
I am who I'm meant to be, this is me
Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen
I make no apologies, this is me

Oh-oh-oh-oh

Oh-oh-oh-oh

Oh-oh-oh-oh

Oh-oh-oh-oh

Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh

Another round of bullets hits my skin
Well, fire away 'cause today, I won't let the shame sink in
We are bursting through the barricades and
Reaching for the sun (we are warriors)
Yeah, that's what we've become (yeah, that's what we've become)

I won't let them break me down to dust
I know that there's a place for us
For we are glorious

When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown 'em out
I am brave, I am bruised
I am who I'm meant to be, this is me
Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen
I make no apologies, this is me

Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh
This is me

When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown 'em out
This is brave, this is bruised
This is who I'm meant to be, this is me

Look out 'cause here I come (look out 'cause here I come)
And I'm marching on to the beat I drum (marching on, marching, marching on)
I'm not scared to be seen
I make no apologies, this is me
Oh
This is me

Take Me Home Country Roads

Almost heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains, growin' like
a breeze

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

All my memories gather 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my
eye

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

I hear her voice in the mornin' hour, she calls me
The radio reminds me of my home far away
Drivin' down the road, I get a feelin'
That I should've been home yesterday, yesterday

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

Take me home, down country roads

Rainbow Connection

Why are there so many
Songs about rainbows
And what's on the other side
Rainbows are visions
They're only illusions
And rainbows have nothing to hide
So we've been told and some chose to
Believe it
But I know they're wrong wait and see

Someday we'll find it
The Rainbow Connection
The lovers, the dreamers and me

Who said that every wish
Would be heard and answered
When wished on the morning star
Somebody thought of that
And someone believed it
And look what it's done so far
What's so amazing
That keeps us star gazing
What so we think we might see

Someday we'll find it
That Rainbow Connection
The lovers the dreamers and me

Have you been fast asleep
And have you heard voices,
I've heard them calling my name,
Is this the sweet sound that calls
The young sailors,
The voice might be one and the same.
I've heard it too many times to ignore it
It's something that i'm supposed to be,

Someday we'll find it
The rainbow connection...
The lovers, the dreamers and me
La lala la lala la la la lala la la la

Brave

Verse:

You can be amazing
You can turn a phrase into a weapon or a drug
You can be the outcast
Or be the backlash of somebody's lack of
love
Or you can start speaking up
Nothing's gonna hurt you the way that
words do
And they settle 'neath your skin
Kept on the inside and no sunlight
Sometimes a shadow wins
But I wonder what would happen if you

Chorus:

Say what you wanna say
And let the words fall out
Honestly I wanna see you be brave

With what you want to say
And let the words fall out
Honestly I wanna see you be brave

I just wanna see you
I just wanna see you
I just wanna see you
I wanna see you be brave

Verse:

Everybody's been there, everybody's been stared down
By the enemy
Fallen for the fear and done some disappearing
Bow down to the mighty
Don't run, stop holding your tongue

Maybe there's a way out of the cage where you live
Maybe one of these days you can let the light in
Show me how big your brave is

Chorus

Bridge:

And since your history of silence
Won't do you any good
Did you think it would?
Let your words be anything but empty
Why don't you tell them the truth?

Chorus

I just wanna see you
I just wanna see you
I just wanna see you
I wanna see you be brave

A Million Dreams

Verse:

I close my eyes and I can see
A world that's waiting up for me that I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, if they call me crazy
We can live in a world that we design

Chorus:

'Cause every night, I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna make

Verse:

There's a house we can build
Every room inside is filled with things from far away
Special things I compile
Each one there to make you smile on a rainy day

They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
See, I don't care, I don't care if they call us crazy
Run away to a world that we design

Chorus

Bridge:

However big, however small
Let me be part of it all
Share your dreams with me
We may be right, we may be wrong
But I wanna bring you along to the
world I see
To the world we close our eyes to see
We close our eyes to see

Chorus:

Every night, I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make
For the world we're gonna make

Fight Song

Verse:

Like a small boat
On the ocean
Sending big waves
Into motion
Like how a single word
Can make a heart open
I might only have one match
But I can make an explosion

Pre-Chorus

And all those things I didn't say
Wrecking balls inside my brain
I will scream them loud tonight
Can you hear my voice this time?

Chorus:

This is my fight song
Take back my life song
Prove I'm alright song
My power's turned on
Starting right now I'll be strong
I'll play my fight song
And I don't really care if nobody else believes
'Cause I've still got a lot of fight left in me

Verse:

Losing friends and I'm chasing sleep
Everybody's worried about me
In too deep
Say I'm in too deep (in too deep)
And it's been two years I miss my home
But there's a fire burning in my bones

Still believe
Yeah, I still believe

Pre-Chorus

Chorus

A lot of fight left in me

Like a small boat

On the ocean

Sending big waves

Into motion

Like how a single word

Can make a heart open

I might only have one match

But I can make an explosion

This is my fight song

Take back my life song

Prove I'm alright song

My power's turned on

Starting right now I'll be strong (I'll be strong)

I'll play my fight song

And I don't really care if nobody else believes

'Cause I've still got a lot of fight left in me

Know I've still got a lot of fight left in me

Lava Song

A long long time ago
There was a volcano
Living all alone in the middle of the sea

He sat high above his bay
Watching all the couples play
And wishing that he had someone too

And from his lava came
This song of hope that he sang out loud
Every day
For years and years

I have a dream
I hope it will come true
That you're here with me
And I am here with you
I wish that the earth, sea, and the sky up
above
Will send me someone to lava

Years of singing all alone
Turned his lava into stone
Until he was on the brink of extinction
But little did he know
That living in the sea below
Another volcano
Was listening to his song

Everyday she heard his tune
Her lava grew and grew
Because she believed his song was meant for her
Now she was so ready to meet him above the sea
As he sang his song of hope for the last time

I have a dream
I hope it will come true

That you're here with me
And I am here with you
I wish that the earth, sea, and the sky up above
Will send me someone to lava

Rising from the sea below
Stood a lovely volcano
Looking all around
But she could not see him
He tried to sing to let her know
That she was not there alone
But with no lava, his song was all gone
He filled the sea with his tears
Watched his dreams disappear
As she remembered what his song meant to her

I have a dream
I hope will come true
That you're here with me
And I am here with you
I wish that the earth, sea, and the sky up above
Will send me someone to lava

Oh they were so happy
To finally meet above the sea
All together now their lava grew and grew
No longer are they all alone
With Aloha as their new home
And when you go and visit them this is what they sing

I have a dream I hope it will come true
That you will grow old with me, and I will grow old with you
We thank the earth, sea, and the sky we thank too
I lava you
I lava you
I lava you

Goodbye Song

It's time to say
goodbye

It's time to say so long

It's time to say, see ya
later alligator!

It's time to say
goodbye.

Goodbye everyone,
goodbye everyone

Goodbye everyone

It's time to say
goodbye.
