

Cake by The Ocean

Verse:

Oh no

See you walking 'round like it's a funeral

Not so serious, girl; why those feet cold?

We just getting started; don't you tip toe, tip toe

Let's lose our minds and go crazy
crazy

Ah ya ya ya ya I keep on hoping we'll eat cake by the ocean

Walk for me, baby

I'll be Diddy, you'll be Naomi, whoa

Let's lose our minds and go crazy
crazy

Ah ya ya ya ya I keep on hoping we'll eat cake by the ocean (huh)

Pre-Chorus:

Ah!

Waste time with a masterpiece, don't waste time with a masterpiece (huh!)

You should be rolling with me, you should be rolling with me (ah)

You're a real life fantasy, you're a real life fantasy (huh!)

But you're moving so carefully; let's start living dangerously

Chorus:

Talk to me, baby

I'm going blind from this sweet, sweet craving, whoa

Verse:

Hot man

See you licking frosting from your own hands

Want another taste, I'm begging, "Yes, ma'am."

I'm tired of all this candy on the dry land, dry land, oh

Pre-Chorus:

Waste time with a masterpiece, don't waste time with a masterpiece (huh!)

You should be rolling with me, you should be rolling with me (ah)

You're a real life fantasy, you're a real life fantasy (huh!)

But you're moving so carefully; let's start living dangerously

Whoa

Chorus:

Talk to me, baby

I'm going blind from this sweet, sweet
craving, whoa

Let's lose our minds and go crazy
crazy

Ah ya ya ya ya I keep on hoping we'll
eat cake by the ocean

Walk for me, baby (walk for me now)

I'll be Diddy, you'll be Naomi, whoa

Let's lose our minds and go crazy
crazy

Ah ya ya ya ya I keep on hoping we'll
eat cake by the ocean

Oh ah

Ah ya ya ya ya I keep on hoping we'll
eat cake by the ocean

Oh ah

Ah ya ya ya ya I keep on hoping we'll
eat cake by the ocean (huh)

Talk to me, baby

I'm going blind from this sweet, sweet
craving, whoa

Let's lose our minds and go crazy
crazy

Ah ya ya ya ya I keep on hoping we'll
eat cake by the ocean

Walk for me, baby (walk for me now)

I'll be Diddy, you'll be Naomi, whoa

Let's lose our minds and go crazy
crazy

Ah ya ya ya ya I keep on hoping we'll
eat cake by the ocean (huh)

You're Welcome

Verse:

Ok, ok, I see what's happening here
You're face to face with greatness,
and it's strange
You don't even know how you feel
It's adorable!

Well, it's nice to
see that humans
never change

Open your eyes,
let's begin
Yes, it's really
me, it's Maui: breathe it in!

I know it's a lot: the hair, the bod!
When you're staring at a demi-god

Chorus:

What can I say except you're welcome
For the tides, the sun, the sky
Hey, it's okay, it's okay
You're welcome
I'm just an ordinary demi-guy

Verse:

Hey!
What has two thumbs that pulled up
the sky
When you were waddling yay high
This guy!

When the nights got cold
Who stole you fire from down below
You're lookin' at him, yo

Oh, also I lassoed the sun

You're welcome!

To stretch the days and bring you fun

Also I harnessed the breeze

You're welcome!

To fill your sails and shake your trees

Chorus:

So what can I say
except you're welcome
For the islands I pulled
from the sea
There's no need to
pray, it's okay

You're welcome!

Ha, I guess it's just my way of being
me

You're welcome!

You're welcome!

Bridge:

Well, come to think of it
Kid, honestly I can go on and on
I can explain every natural
phenomenon
The tide, the grass, the ground, oh
That was Maui just messing around

I killed an eel

I buried its guts

Sprouted a tree, now you got coconuts

What's the lesson?

What is the take-away?

Don't mess with Maui when he's on
the break-away

And the tapestry here on my skin
Is a map of the victories I win
Look where I've been
I make everything happen
Look at that mini-Maui just tippity-
tappin'

Chorus:

Well, anyway let me say you're
welcome
For the wonderful world you know
Hey, it's okay, it's okay
You're welcome!
Well, come to think of it, I gotta go

Hey, it's your day to say you're
welcome
'Cause I'm gonna need that boat
I'm sailing away, away
You're welcome!
'Cause Maui can do anything but float
You're welcome!
You're welcome!
And thank you!

Never Say Never

Verse:

See I never thought that I
could walk through fire
I never thought that I could
take the burn
I never had the strength to
take it higher
Until I reached the point of
no return

Pre-Chorus:

And there's just no turning
back
When your heart's under attack
Gonna give everything I have
It's my destiny

Chorus:

I will never say never, I will fight
I will fight 'til forever, to make it right
Whenever you knock me down, I will
not stay on the ground
Pick it up, pick it up, pick it up, pick it
up up up and never say never
Never say never
Never say never
Never say never
Never say never

Verse 2:

I never thought I could feel this power
I never thought that I could feel this
free
I'm strong enough to climb the highest

tower

And I'm fast enough to run across the
sea

Pre-Chorus:

'Cause there's just no
turning back (Oh no)
When your heart's
under attack (Oh no)
Gonna give
everything I have
'Cause this is my
destiny

Chorus:

I will never say never, I will fight
I will fight 'til forever, to make it right
Whenever you knock me down
I will not stay on the ground
Pick it up, pick it up, pick it up, pick it
up up up
And never say never

Chorus:

I will never say never, I will fight
I will fight 'til forever, to make it right
Whenever you knock me down
I will not stay on the ground
Pick it up, pick it up, pick it up, pick it
up up up
And never say never
Say never

Friend Like Me

Verse:

Well Ali Baba
had them forty
thieves
Scheherezad-ie
had a thousand tales
But master you in luck 'cause up your
sleeves
You got a brand of magic never fails
You got some power in your corner
now
Some heavy ammunition in your
camp
You got some punch, pizzazz, yahoo
and how
See all you gotta do is rub that lamp
And I'll say

Chorus:

Mister Aladdin, sir
What will your pleasure be?
Let me take your order
Jot it down
You ain't never had a friend like me

Life is your restaurant
And I'm your maitre d'
C'mon whisper what it is you want
You ain't never had a friend like me

Verse:

Yes sir, we pride ourselves on service
You're the boss
The king, the shah
Say what you wish

It's yours, true dish
How about a little
more Baklava?

Chorus:

Have some of column
A

Try all of column B
I'm in the mood to help you dude
You ain't never had a friend like me

Bridge:

Can your friends do this?
Do your friends do that?
Do your friends pull this out their
little hat?
Can your friends go poof?
Well, looky here
Can your friends go, Abracadabra, let
'er rip
And then make the sucker disappear?

So dontcha sit there slack-jawed,
buggy-eyed
I'm here to answer all your midday
prayers
You got me bona fide, certified
You got a genie for your charg 
d'affaires
I got a powerful urge to help you out
So what-cha wish?
I really want to know
You got a list that's three miles long,
no doubt
Well, all you gotta do is rub like so -
and oh

Chorus:

Mister Aladdin, sir, have a wish or
two or three

I'm on the job, you big nabob

You ain't never had a friend, never
had a friend

You ain't never had a friend, never
had a friend

You ain't never had a friend like me

You ain't never had a friend like me,
hah!

Rotten to the Core

Verse:

They say I'm trouble
They say I'm bad
They say I'm evil
And that makes me glad

A dirty no-good
Down to the bone
Your worst nightmare
Can't take me home

So I've got some mischief
In my blood
Can you blame me
I never got no love

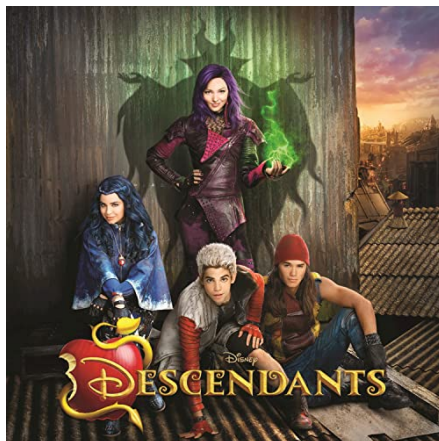

They think I'm callous
A low-life hood
I feel so useless
Misunderstood

Pre-Chorus

Mirror, mirror on the wall
Who's the baddest of them all
Welcome to my wicked world,
wicked world

Chorus:

I'm rotten to the core, core
Rotten to the core
I'm rotten to the core, core
Who could ask for more
I'm nothing like the kid next, like the
kid next door
I'm rotten to the, I'm rotten to the
I'm rotten to the core

Verse:

Call me a schemer
Call me a freak
How can you say that
I'm just unique

What, me a traitor
Ain't got your back
Are we not friends
What's up with that

So I'm a misfit
So I'm a flirt
I broke your heart
I made you hurt

The past is past
Forgive, forget
The truth is
You ain't seen nothing yet

Pre-Chorus:

Mirror, mirror on the wall
Who's the baddest of them all
Welcome to my wicked world,
wicked world

Chorus:

I'm rotten to the core, core
Rotten to the core
I'm rotten to the core, core
Who could ask for more
I'm nothing like the kid next, like the
kid next door
I'm rotten to the, I'm rotten to the
I'm rotten to the core

A Whole New World

Verse:

I can show you the world
Shining, shimmering, splendid
Now tell me, princess, now when did
You last let your heart decide?

I can open your eyes
Take you wonder by wonder
Over, sideways
and under
On a magic
carpet ride

Chorus:

A whole new
world
A new fantastic point of view
No one to tell us, "no"
Or where to go
Or say we're only dreaming

A whole new world
A dazzling place I never knew
But when I'm way up here
It's crystal clear
That now I'm in a whole new world
with you

Verse:

Unbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond sky

Chorus:

A whole new world
(Don't you dare close your eyes)
A hundred thousand things to see
(Hold your breath; it gets better)
I'm like a shooting star
I've come so far
I can't go back to where I used to be

Chorus:

A whole new world
(Every turn, a surprise)
With new horizons to
pursue
*(Every moment, red-
letter)*

*I'll chase them anywhere
There's time to spare
Let me share this whole new world
with you*

End:

A whole new world
(A whole new world)
That's where we'll be
(That's where we'll be)
A thrilling chase
(A wondrous place)
For you and me

Brave

Verse:

You can be amazing
You can turn a phrase into a weapon or a drug
You can be the outcast
Or be the backlash of somebody's lack of love
Or you can start speaking up
Nothing's gonna hurt you the way that words do
And they settle 'neath your skin
Kept on the inside and no sunlight
Sometimes a shadow wins
But I wonder what would happen if you

Chorus:

Say what you wanna say
And let the words fall out
Honestly I wanna see you be brave

With what you want to say
And let the words fall out
Honestly I wanna see you be brave

I just wanna see you
I just wanna see you
I just wanna see you
I wanna see you be brave

Verse:

Everybody's been there, everybody's been stared down
By the enemy
Fallen for the fear and done some disappearing
Bow down to the mighty
Don't run, stop holding your tongue
Maybe there's a way out of the cage where you live
Maybe one of these days you can let the light in
Show me how big your brave is

Chorus

Bridge:

And since your history of silence
Won't do you any good
Did you think it would?
Let your words be anything but empty
Why don't you tell them the truth?

Chorus

I just wanna see you
I just wanna see you
I just wanna see you
I wanna see you be brave
