

## Hello Song

Move to the beat and to everyone you meet

Say Hello! Hello! Hello! Hello!

When you meet somebody new,

The first thing that you do, is say Hello!

Hello! Hello! Hello!

Say it high!

Say it low!

Say it fast!

Say it slow!

Move to the beat and to everyone you meet

Say Hello! Hello! Hello! Hello!

Hello to everyone, hello to everyone, say hello!

## Mr. Sun

Oh Mr. Sun, Sun. Mr. Golden Sun

Please shine down on me!

Oh Mr. Sun, Sun. Mr. Golden Sun

Hiding behind that tree

These little children are asking you,

To please come out so we can play with  
you

Oh Mr. Sun, Sun. Mr. Golden Sun.

Please shine down on me

## Song in my Tummy

I've got a song in my tummy

And it wants to come out

I've got a song in my tummy

I've got a song in my tummy

And it wants to come out

I've got a song in my tummy

I've got a song in my tummy

And it wants to come out

And when it does I'm gonna

Sing and shout

Lalalalalalalala!

I've got a song in my tummy

I've got a song in my nose

And it wants to come out

I've got a song in my nose

I've got a song in my nose

And it wants to come out

I've got a song in my nose

I've got a song in my nose

And it wants to come out

When it does I'm gonna

Sing and shout

Lalalalalalalalala!

I've got a song in my nose

I've got a song in my heart

And it wants to come out

I've got a song in my heart

I've got a song in my heart

And it wants to come out

I've got a song in my heart

I've got a song in my heart

And it wants to come out

And when it does I'm gonna

Sing and shout

Lalalalalala!

I've got a song in my heart

I've got a song in my tummy

And it wants to come out

I've got a song in my tummy

I've got a song in my tummy

And it wants to come out

I've got a song in my tummy

I've got a song in my tummy

And it wants to come out

And when it does I'm gonna

Sing and shout

Lalalalalalalalala!

I've got a song in my tummy

## We are the Dinosaurs

We are the dinosaurs, marching, marching  
We are the dinosaurs  
Whaddaya think of that?  
We are the dinosaurs, marching, marching  
We are the dinosaurs, we make the earth flat  
We make the earth flat

We stop and eat our food, when we're in the mood  
We stop and eat our food on the ground  
We stop and eat our food, when we're in the mood  
We stop and eat our food and then we march  
around

'Cause we are the dinosaurs, marching, marching  
We are the dinosaurs  
Whaddaya think of that?  
We are the dinosaurs, marching, marching  
We are the dinosaurs, we make the earth flat  
We make the earth flat

We stop and take a rest, over in our nest  
We stop and take a rest at the end of the day  
We stop and take a rest, over in our nest  
We stop and take a rest and then you'll hear us say

That we are the dinosaurs, marching, marching  
We are the dinosaurs  
Whaddaya think of that?  
We are the dinosaurs, marching, marching  
We are the dinosaurs, we make the earth flat  
We make the earth flat

And then we roar!  
'Cause we are the dinosaurs!  
(Roar!)

## Down by the Bay

Down by the bay  
Where the watermelons grow  
Back to my home  
I dare not go  
For if I do  
My mother will say  
"Did you ever you ever see a  
goose  
kissing a moose?"  
Down by the bay

"Did you ever see a whale  
With a polka dot tail?"

"Did you ever see a fly  
Wearing a tie?"

"Did you ever see a bear  
Combing his hair?"

"Did you ever see a llama  
Eating pajamas?"

"Did you ever have a time  
When you couldn't make a rhyme?"

## FUN Song

F is for friends who do stuff together

U is for you and me

N is for anywhere and anytime at all

Down here in the deep blue sea!

F is for frolic through all the  
flowers

U is for ukulele

N is for nose picking, sharing gum,  
and sand licking

Here with my best buddy

## Bare Necessities

Look for the bare  
necessities  
The simple bare  
necessities  
Forget about your  
worries and your strife  
I mean the bare  
necessities  
Old Mother Nature's  
recipes  
That brings the bare  
necessities of life

Wherever I wander, wherever I roam  
I couldn't be fonder of my big home  
The bees are buzzin' in the tree  
To make some honey just for me  
When you look under the rocks and plants  
And take a glance at the fancy ants  
Then maybe try a few

The bare necessities of life will come to you  
They'll come to you!

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean the bare necessities  
That's why a bear can rest at ease  
With just the bare necessities of life

The bare necessities of life will come to you  
They'll come to you!

The bare necessities of life will come to you

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean the bare necessities  
That's why a bear can rest at ease  
With just the bare necessities of life  
With just the bare necessities of life

## You've Got a Friend in Me

You've got a friend in me  
You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles  
From your nice warm bed  
You just remember what your old pal said  
Boy, you've got a friend in me  
Yeah, you've got a friend in me

You've got a friend in me  
You've got a friend in me  
If you've got troubles, I've got 'em too  
There isn't anything I wouldn't do for you  
We stick together and can see it through  
'Cause you've got a friend in me  
Yeah, you've got a friend in me

Some other folks might be  
A little bit smarter than I am  
Bigger and stronger too, maybe  
But none of them will ever love you  
The way I do, it's me and you, boy  
And as the years go by  
Our friendship will never die  
You're gonna see it's our destiny  
You've got a friend in me  
You've got a friend in me  
Yeah, you've got a friend in me

## Goodbye Song

It's time to say  
goodbye

It's time to say so long

It's time to say, see ya  
later alligator!

It's time to say  
goodbye.

Goodbye everyone,  
goodbye everyone

Goodbye everyone

It's time to say  
goodbye.
