

I Just Can't Wait to be King

Verse:

I'm gonna be a mighty king, so enemies
beware!

Well, I've never seen a king of beasts with
quite so little hair

I'm gonna be the main event, like no king
was before

I'm brushing up on looking down, I'm
working on my roar!

Thus far, a rather... uninspiring thing

Chorus

Oh, I just can't wait to be king!

Verse:

No one saying do this

No one saying be there

No one saying stop that

No one saying see here

Free to run around all day

Free to do it all my way!

Verse:

I think it's time that you and I arranged a
heart to heart

Kings don't need advice from little hornbills
for a start

If this is where the monarchy is headed,
count me out!

Out of service, out of Africa - I wouldn't
hang about... aagh!

This child is getting wildly out of wing

Chorus:

Oh, I just can't wait to be king!

Everybody look left

Everybody look
right

Everywhere you
look I'm standing in
the spotlight!

Verse:

Let every creature
go for broke and
sing

Let's hear it in the herd and on the wing

It's gonna be King Simba's finest fling

Chorus:

Oh, I just can't wait to be king!

Oh, I just can't wait to be king!

Oh I just can't wait... to be king!

Part of Your World

Verse:

Look at this stuff

Isn't it neat?

Wouldn't you think my collection's
complete?

Wouldn't you think I'm the girl

The girl who has everything?

Verse:

Look at this trove

Treasures untold

How many wonders can one cavern hold?

Looking around here you think

Sure, she's got everything

I've got gadgets and gizmos a-plenty

I've got whozits and whatzits galore

You want thingamabobs?

I've got twenty!

But who cares?

No big deal

I want more

Verse:

I wanna be where the people are

I wanna see, wanna see them dancin'

Walking around on those - what do you call
'em?

Oh - feet!

Flippin' your fins, you don't get too far

Legs are required for jumping, dancing

Strolling along down a - what's that word
again?

Street

Chorus:

Up where they walk, up where they run

Up where they stay all day in the sun

Wanderin' free - wish I could be

Part of that world

Bridge:

What would I give if I could live out of
these waters?

What would I pay to spend a day warm on
the sand?

Bet'cha on land they understand

they don't reprimand their daughters

Bright young women sick of swimmin'

Ready to stand

Verse:

And ready to know what the people know

Ask 'em my questions and get some answers

What's a fire and why does it - what's the
word?

Burn?

Chorus 2:

When's it my turn?

Wouldn't I love, love to explore that shore
up above?

Out of the sea

Wish I could be

Part of that world

I Wanna Be Like You

Verse:

Now I'm the king of the swingers, the jungle
V.I.P

I reached the top and had to stop
And that's what bothering me
I want to be a man, man-cub, and stroll right
into town
And be just like those other men
I'm tired of monkeying around

Chorus:

Ooh-bi-doo, I wan'na be like you
I want to walk like you, talk like
you, too
You see it's true, an ape like me
Can learn to be like you, too

Verse:

Now don't try to kid me, man-cub,
I'll make a deal with you
What I desire is man's red fire to make my
dreams come true
So give me the secret, man-cub, clue me
what to do
Give me the power of man's red flower so I
can be like you

Chorus:

Ooh-bi-doo, I wan'na be like you
I want to walk like you, talk like you, too
You see it's true, an ape like me
Can learn to be like you, too

Verse:

Now I'm the king of the swingers, the jungle
V.I.P.
I reached the top and had to stop
And that's what bothering me
I want to be a man, man-cub, and stroll right
into town

And be just like those other men
I'm tired of monkeying around

Chorus:

Ooh-bi-doo, I wan'na be like you
I want to walk like you, talk like you, too
You see it's true, an ape like me
Can learn to be like you, too
Can learn to be someone like me

When You Wish Upon a Star

Verse:

When you wish upon a star
Makes no difference who you are
Anything your heart desires will come to
you

Verse:

If your heart is in your
dream
No request is too extreme
When you wish upon a star
As dreamers do

Chorus:

Fate is kind

She brings to those who love
The sweet fulfillment of their secret
longing

Verse:

Like a bolt out of the blue
Fate steps in and sees you through
When you wish upon a star
Your dreams come true

Verse:

When you wish upon a star
Makes no difference who you are
Anything your heart desires will come to

Chorus:

Fate is kind

She brings to those who love
The sweet fulfillment of their secret
longing

Verse:

Like a bolt out of the blue
Fate steps in and sees you through
When you wish upon a star
Your dreams come true

How Far I'll Go

Verse:

I've been staring at the edge of the water
'Long as I can remember, never really
knowing why
I wish I could be the perfect daughter
But I come back to the water, no matter
how hard I try

Pre- Chorus:

Every turn I take, every trail I track
Every path I make, every road leads back
To the place I know, where I can not go,
where I long to be

Chorus:

See the line where the sky meets the
sea? It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays
behind me
One day I'll know, if I go there's just no
telling how far I'll go

Verse:

I know everybody on this island, seems
so happy on this island
Everything is by design
I know everybody on this island has a
role on this island
So maybe I can roll with mine

Pre-Chorus:

I can lead with pride, I can make us
strong
I'll be satisfied if I play along
But the voice inside sings a different
song
What is wrong with me?

Chorus:

See the light as it shines on the sea? It's
blinding
But no one knows, how deep it goes
And it seems like it's calling out to me,
so come find me
And let me know, what's beyond that
line, will I cross that line?

The line where the sky meets the sea? It
calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays
behind me
One day I'll know, how far I'll go

Bare Necessities

Chorus:

Look for the bare necessities
The simple bare necessities
Forget about your worries and your strife
I mean the bare necessities
Old Mother Nature's recipes
That brings the bare necessities of life

Verse:

Wherever I wander, wherever I roam
I couldn't be fonder of my big home
The bees are buzzin' in the tree
To make some honey just for me
When you look under the rocks and
plants
And take a
glance at the
fancy ants
Then maybe try
a few

The bare
necessities of
life will come to
you

Chorus:

Look for the bare necessities
The simple bare necessities
Forget about your worries and your strife
I mean the bare necessities
That's why a bear can rest at ease
With just the bare necessities of life

The bare necessities of life will come to
you
They'll come to you!

The bare necessities of life will come to
you

Verse:

Wherever I wander, wherever I roam
I couldn't be fonder of my big home
The bees are buzzin' in the tree
To make some honey just for me
When you look under the rocks and
plants
And take a glance at the fancy ants
Then maybe try a few

The bare necessities of life will come to

you
They'll come to
you!

Chorus:

Look for the
bare necessities
The simple
bare necessities

Forget about your worries and your strife
I mean the bare necessities
That's why a bear can rest at ease
With just the bare necessities of life
With just the bare necessities of life

You've Got a Friend in Me

Verse:

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal
said
Boy, you've got a friend in me
Yeah, you've got a friend in me

Verse:

You've got a friend in me
You've got a friend in me
If you've got troubles, I've got 'em too
There isn't anything I wouldn't do for
you
We stick together and can see it through
'Cause you've got a friend in me
Yeah, you've got a friend in me

Bridge:

Some other folks might be
A little bit smarter than I am
Bigger and stronger too, maybe
But none of them will ever love you
The way I do, it's me and you, boy
And as the years go by
Our friendship will never die
You're gonna see it's our destiny

Chorus:

You've got a friend in me
You've got a friend in me
Yeah, you've got a friend in me

When Will my Life Begin?

Verse:

Seven a.m., the usual morning lineup
Start on the chores and sweep 'till the
floor's all clean
Polish and wax, do laundry, and mop and
shine up
Sweep again, and by then it's like 7:15

Chorus:

And so I'll read a book
Or maybe two or three
I'll add a few new paintings to my
gallery
I'll play guitar and knit
And cook and basically
Just wonder when will my life begin?

Verse:

Then after lunch it's puzzles and
darts and baking
Paper mache, a bit of ballet and chess
Pottery and ventriloquy, candle
making
Then I'll stretch, maybe sketch, take
a climb
Sew a dress!

Chorus:

And I'll reread the books
If I have time to spare
I'll paint the walls some more
I'm sure there's room somewhere
And then I'll brush and brush
And brush and brush my hair
Stuck in the same place I've always been

And I'll keep wanderin' and wanderin'
And wanderin' and wonderin'
When will my life begin?

Bridge:

And tomorrow night
The lights will appear
Just like they do on my birthday each
year
What is it like
Out there where they glow?
Now that I'm older
Mother might just
Let me go

Kiss the Girl

Verse:

There you see her
Sitting there across the way
She don't got a lot to say
But there's something about her
And you don't know why
But you're dyin' to try
You wanna kiss the girl

Yes, you want her
Look at her, you know you do
Possible she want you too
There is one way to ask her
It don't take a word
Not a single word
Go on and kiss the girl

And she won't say a word
Until you kiss the girl

Chorus:

Sha la la la la la
Don't be scared
You got the mood prepared
Go on and kiss the girl
Sha la la la la la
Don't stop now
Don't try to hide it
How you want to kiss the girl

Sha la la la la la
Float along
And listen to the song
The song say, "kiss the girl"

Chorus:

Sha la la la la la
My oh my
Look like the boy
too shy
Ain't gonna kiss the
girl
Sha la la la la la
Ain't that sad?
Ain't it a shame?
Too bad
He gonna miss the girl

Sha la la la la
Music play
Do what the music say
You got to kiss the girl
You've got to kiss the
girl
You wanna kiss the girl
You've gotta kiss the girl
Go on and kiss the girl

Verse:

Now's your moment
Floatin' in a blue lagoon
Boy, you better do it soon
No time will be better
She don't say a word

Let it Go

Verse:

The snow glows white on the mountain
tonight
Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen
The wind is howling like this swirling
storm inside
Couldn't keep it in, heaven knows I tried!

Pre-Chorus:

Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well, now they know!

Chorus:

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door!
I don't care
What they're going to say
Let the storm rage on
The cold never bothered me
anyway!

Verse:

It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all!

Pre-Chorus

It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me I'm

free!

Chorus:

Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry!
Here I stand
And here I'll stay
Let the storm rage on!

Bridge:

My power flurries through the air into
the ground
My soul is spiraling in frozen fractals all
around
And one thought crystallizes like an icy
blast
I'm never going back
The past is in the past!

Chorus:

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone!
Here I stand
In the light of day
Let the storm rage on
The cold never bothered me anyway!

You'll Be in My Heart

Verse:

Come stop your crying
It will be alright
Just take my hand
And hold it tight

I will protect you
From all around you
I will be here
Don't you cry

Verse:

For one so small,
You seem so strong
My arms will hold you,
Keep you safe and warm
This bond between us
Can't be broken
I will be here
Don't you cry

Chorus:

'Cause you'll be in my heart
Yes, you'll be in my heart
From this day on
Now and forever more
You'll be in my heart
No matter what they say
You'll be here in my heart
Always

Verse:

Why can't they understand the way we
feel
They just don't trust what they can't
explain
I know we're different, but deep inside us
We're not that different at all

Chorus:

And you'll be in my heart
Yes you'll be in my heart
From this day on
Now and forever more

Bridge:

Don't listen to them
'Cause what do they know
We need each other, to have, to hold
They'll see in time, I know

When destiny calls you, you
must be strong
I may not be with you
But you got to hold on
They'll see in time, I know
We'll show them together

Chorus:

'Cause you'll be in my heart
Believe me you'll be in my
heart
I'll be there from this day on

Now and forever more

You'll be in my heart
No matter what they say
You'll be here in my heart
Always
