

Call Me Maybe

Verse:

I threw a wish in the well
Don't ask me, I'll never tell
I looked to you as it fell
And now you're in my way
I'd trade my soul for a wish
Pennies and dimes for a kiss
I wasn't looking for this
But now you're in my way

Pre-Chorus:

Your stare was holdin'
Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where you think you're going,
baby?

Chorus:

**Hey, I just met you
And this is crazy
But here's my number
So call me, maybe?
It's hard to look right
At you baby
But here's my number
So call me, maybe?
Hey, I just met you
And this is crazy
But here's my number
So call me, maybe?**

**And all the other boys
Try to chase me
But here's my number
So call me, maybe?**

Verse:

You took your time with the call
I took no time with the fall
You gave me nothing at all
But still, you're in my way
I beg, and borrow and steal
At first sight and it's real
I didn't know I would feel it
But it's in my way

Pre-Chorus:

Your stare was holdin'
Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where you think you're going,
baby?

Chorus:

Bridge:

Before you came into my life
I missed you so bad
I missed you so bad
I missed you so, so bad

Chorus

Love Yourself

[Verse 1]

For all the times that you rained
on my parade

And all the clubs you get in using
my name

You think you broke my heart,
oh girl, for goodness sake

You think I'm cryin' on my own,
well I ain't

[Refrain]

**And I didn't wanna write a
song**

**'Cause I didn't want anyone
thinking I still care**

**I don't, but you still hit my
phone up**

And baby, I'll be movin' on

**And I think you should be
somethin' I don't wanna hold
back**

Maybe you should know that

[Pre-Chorus]

**My mama don't like you and
she likes everyone**

**And I never like to admit that I
was wrong**

**And I've been so caught up in
my job, didn't see what's going
on**

**But now I know, I'm better
sleeping on my own**

[Chorus]

**'Cause if you like the way you
look that much**

**Oh baby, you should go and
love yourself**

**And if you think that I'm still
holdin' on to somethin'**

**You should go and love
yourself**

[Verse 2]

But when you told me that you
hated my friends

The only problem was with you
and not them

And every time you told me my
opinion was wrong

And tried to make me forget
where I came from

[Refrain]

[Pre-Chorus]

[Chorus]

[Bridge]

For all the times that you made
me feel small

I fell in love, now I feel nothin' at
all

I never felt so low and I was
vulnerable

Was I a fool to let you break
down my walls?

[Chorus]

Sucker

[Verse 1]

We go together

Better than birds of a feather, you
and me

We change the weather, yeah

I'm feelin' heat in December
when you're 'round me

[Pre-Chorus]

I've been dancin' on top of cars
and stumblin' out of bars

I follow you through the dark,
can't get enough

You're the medicine and the pain,
the tattoo inside my brain

And, baby, you know it's obvious

[Chorus]

I'm a sucker for you

**You say the word and I'll go
anywhere blindly**

I'm a sucker for you, yeah

**Any road you take, you know
that you'll find me**

**I'm a sucker for all the
subliminal things**

**No one knows about you
(About you), about you (About
you)**

**And you're makin' the typical
me break my typical rules**

**It's true, I'm a sucker for you,
yeah**

[Verse 2]

Don't complicate it (Yeah)

'Cause I know you and you know
everything about me

I can't remember (Yeah) all of
the nights

I don't remember when you're
'round me (Oh, yeah, yeah)

[Pre-Chorus]

I've been dancin' on top of cars
and stumblin' out of bars

I follow you through the dark,
can't get enough

You're the medicine and the pain,
the tattoo inside my brain

And, baby, you know it's obvious

[Chorus]

[Pre-Chorus]

Perfect

[Verse 1]

I found a love for me

Oh darling, just dive right in and
follow my lead

Well, I found a girl, beautiful and
sweet

Oh, I never knew you were the
someone waiting for me

'Cause we were just kids when we fell
in love

Not knowing what it was

I will not give you up this time

But darling, just kiss me slow, your
heart is all I own

And in your eyes, you're holding mine

[Chorus]

**Baby, I'm dancing in the dark with
you between my arms**

**Barefoot on the grass, listening to
our favourite song**

**When you said you looked a mess, I
whispered underneath my breath**

**But you heard it, darling, you look
perfect tonight**

[Verse 2]

Well I found a woman, stronger than
anyone I know

She shares my dreams, I hope that
someday I'll share her home

I found a love, to carry more than just
my secrets

To carry love, to carry children of our
own

We are still kids, but we're so in love

Fighting against all odds

I know we'll be alright this time

Darling, just hold my hand

Be my girl, I'll be your man

I see my future in your eyes

[Chorus]

[Chorus]

Baby, I'm dancing in the dark, with
you between my arms

Barefoot on the grass, listening to our
favorite song

I have faith in what I see

Now I know I have met an angel in
person

And she looks perfect

I don't deserve this

You look perfect tonight

You Belong With Me

[Verse 1]

You're on the phone with your
girlfriend, she's upset
She's going off about something that
you said
'Cause she doesn't get your humor like
I do
I'm in my room, it's a typical Tuesday
night
I'm listening to the kind of music she
doesn't like
And she'll never know your story like
I do

[Pre-Chorus]

But she wears short skirts, I wear T-
shirts
She's Cheer Captain and I'm on the
bleachers
Dreaming about the day when you
wake up and find
That what you're looking for has been
here the whole time

[Chorus]

If you could see that I'm the one who
understands you
Been here all along, so why can't you
see?
You belong with me, you belong with
me

[Verse 2]

Walking the streets with you and your
worn-out jeans

I can't help thinking this is how it
ought to be
Laughing on a park bench, thinking to
myself
Hey, isn't this easy?
And you've got a smile that could
light up this whole town
I haven't seen it in a while since she
brought you down
You say you're fine, I know you better
than that
Hey, whatcha doing with a girl like
that?

[Pre-Chorus]

She wears high heels, I wear sneakers
She's Cheer Captain and I'm on the
bleachers
Dreaming about the day when you
wake up and find
That what you're looking for has been
here the whole time

[Chorus]

**If you could see that I'm the one
who understands you
Been here all along, so why can't
you see?
You belong with me
Standing by and waiting at your
back door
All this time how could you not
know, baby?
You belong with me, you belong
with me**

[Bridge]

Oh, I remember you driving to my
house

In the middle of the night

I'm the one who makes you laugh

When you know you're 'bout to cry

And I know your favorite songs

And you tell me 'bout your dreams

Think I know where you belong

Think I know it's with me

[Chorus]

[Outro]

You belong with me

Have you ever thought just maybe

You belong with me?

You belong with me

This Town

[Verse 1]

Waking up to kiss you and nobody's
there
The smell of your perfume still stuck
in the air
It's hard
Yesterday I thought I saw your
shadow running round
It's funny how things never change in
this old town
So far from the stars

[Pre-Chorus]

And I want to tell you everything
The words I never got to say the first
time around
And I remember everything
From when we were the children
playing in this fairground
Wish I was there with you now

[Chorus]

**If the whole world was watching I'd
still dance with you
Drive highways and byways to be
there with you
Over and over the only truth
Everything comes back to you**

[Verse 2]

I saw that you moved on with
someone new
In the pub that we met he's got his
arms around you
It's so hard

You still make me nervous when you
walk in the room
Them butterflies they come alive
when I'm next to you
Over and over the only truth
Everything comes back to you

[Bridge]

And I know that it's wrong
That I can't move on
But there's something about you

[Chorus]

If the whole world was watching I'd
still dance with you
Drive highways and byways to be
there with you
Over and over the only truth
Everything comes back to you
You still make me nervous when you
walk in the room
Them butterflies they come alive
when I'm next to you
Over and over the only truth
Everything comes back to you
Everything comes back to you

Party in the USA

[Verse 1]

I hopped off the plane at LAX
With a dream and my cardigan
Welcome to the land of fame excess
(Whoa)
Am I gonna fit in?
Jumped in the cab, here I am for the
first time
Look to my right, and I see the
Hollywood sign
This is all so crazy
Everybody seems so famous

[Pre-Chorus]

My tummy's turnin' and I'm feelin'
kinda homesick
Too much pressure and I'm nervous
That's when the taxi man turned on
the radio
And a JAY-Z song was on
And a JAY-Z song was on
And a JAY-Z song was on

[Chorus]

So I put my hands up
They're playin' my song, the
butterflies fly away
I'm noddin' my head like, yeah
Movin' my hips like, yeah
Got my hands up, they're playing
my song
They know I'm gonna be okay
Yeah, it's a party in the U.S.A.
Yeah, it's a party in the U.S.A.

[Verse 2]

Get to the club in my taxi cab
Everybody's lookin' at me now
Like, "Who's that chick that's rockin'
kicks?
She gotta be from out of town"
So hard with my girls not around me
It's definitely not a Nashville party
'Cause all I see are stilettos
I guess I never got the memo

[Pre-Chorus]

My tummy's turnin' and I'm feelin'
kinda homesick
Too much pressure and I'm nervous
That's when the DJ dropped my
favorite tune
And a Britney song was on
And a Britney song was on
And a Britney song was on

[Chorus]

[Bridge]

Feel like hopping on a flight (On a
flight)
Back to my hometown tonight (Town
tonight)
Something stops me every time
(Every time)
The DJ plays my song and I feel
alright

[Chorus]
