Transition Bootcamp (for parents of 13 – 22 year olds) is an intensive, streamlined class designed to provide the essential tools and resources for supporting your child's transition from middle school, through high school and into adulthood.

This bootcamp, led by Patti Adams, offers practical strategies and access to valuable resources, empowering parents with the knowledge they need to advocate for their child and plan for their future.

Upon completion of the course, parents will:

- Have increased knowledge of the overall transition process
- Understand the timeline of necessary activities for a successful transition from the school system to the adult system
- Learn how to access the agencies involved in the transition process
- Have the tools to ensure all the necessary supports are in place for when their child turns 18
