Young Life Capernaum builds relationships with kids with and without disabilities, without condition or demand, no matter who or where they are. Right in our neighborhood, we go where kids are and seek them out during the school year and in the summer. Our leaders invest time with kids with disabilities. They invite. They share life. They tell kids about the love of Jesus through their actions and in a language the kids can understand.

- Primarily serving: Ages 12-18+ years
- Services offered in: English and ASL
- Regional Center Vendor: No
- California Self-Determination Program (SDP) vendor: No
- Virtual services offered.
