

LIFE SHARING PROGRAM FOR PEOPLE WITH DISABILITIES

Empowering the disability community through meaningful housing choices. Our shared-living platform matches individuals with disabilities to compatible roommates using a person-centered approach, fostering independence and lasting connections that help everyone thrive.

Homies provides supportive living services.

Benefits of becoming a **Homie**:

- Choose where you want to live, and who you want to live with
- Join the Homies Community with other individuals also looking to work on independent living skills
- Have a supportive roommate who is uniquely paired with you based on compatibility
- Customized support plan for independent living
